1. Text
Dear Mike,
I have finally moved to the new flat and I am still unpacking. I moved on Monday and it's Friday now, but I have got so many things. It's terrible. It takes so much time and I haven't been able to find enough free time to finish doing it. Believe me when I say that you should never move if you don't want to get mad. Anyway, it's a nice place, so I think I will enjoy living here.
There's only one unpleasant thing. And that's my neighbour, Mr Sprat. You would never believe how this man lives. I really started thinking about my lifestyle when I met him. Firstly, he gets up really early. At about five o'clock, I think. How horrible! I know that because I can hear his shower. He's even singing there. Yes, so early in the morning! I would never be able to get out of bed at such time even if I wanted to. And he does all those healthy things – jogging in the morning, exercising in the garden in the afternoon I simply can't understand how he can do that. I am too lazy to do such things. Have you ever met such a person? I moved so as not to have to live with someone like my parents, but this is even worse.
We haven't seen each other for several months, so I hope you will have some time to visit me soon. At least I will have an opportunity to speak to someone a bit more normal.
Pat
